After issuance of specific findings of fact and proposed action by the Director as provided in §702.414 any affected provider employer or other interested party has the right to seek a hearing pursuant to section 556 of title 5, United States Code. Upon written request for such a hearing, the matter shall be referred by the District Director to the OALJ for formal hearing in accordance with the procedures in subpart C of this part. § 702.416 Fees for medical services; disputes; hearings; necessary parties.

At formal hearings held pursuant to §702.415, the necessary parties shall be the person whose fee or cost charge is in question and the Director, or their representatives. The employer or car-

rier may also be represented, and other parties, or associations having an interest in the proceedings, may be heard, in the discretion of the administrative law judge.

§ 702.417 Fees for medical services; disputes; effect of adverse decision.

If the final decision and order upholds the finding of the Director that the fee or charge in dispute was not in accordance with prevailing community charges or the provider's customary charges, the person claiming such fee or cost charge shall be given thirty (30) days after filing of such decision and order to make the necessary adjustment. If such person still refuses to make the required readjustment, such person shall not be authorized to conduct any further treatments or examinations (if a physician) or to provide any other services or supplies (if by other than a physician). Any fee or cost charge subsequently incurred for services performed or supplies furnished shall not be a reimbursable medical expense under this subpart. This prohibition shall apply notwithstanding the fact that the services performed or supplies furnished were in all other respects necessary and appropriate within the provision of these regulations. However, the Director may direct reimbursement of medical claims for services rendered if such services were rendered in an emergency (see §702.435(b)). At the termination of the proceedings provided for in this section the district director shall determine whether further proceedings under § 702.432 should be initiated.
